Benefiting EMQ FamiliesFirst Crisis Nursery

# Why support the EMQ FamiliesFirst Crisis Nursery?

Each week, child protective services (CPS) agencies throughout the United States receive more than 50,000 reports of suspected child abuse or neglect. Tragically, across the country, at least three children die everyday from child abuse and neglect; more than 85% of these children are under the age of six and 44% are under the age of one. In Yolo County alone, there were 15,330 residents under the age of five in 2007. Of these youth, 860 children were referred to Child Welfare Services for suspected child abuse, 237 of these cases were substantiated as child abuse, and 121 children entered the foster care system.

The EMQ FamiliesFirst Crisis Nursery is a child abuse prevention program that provides services to families with young children (birth to age 5) who are experiencing life crises or high levels of stress. It is during these times that children are at the greatest risk for abuse and neglect. At the Crisis Nursery we believe:

- Children come first! We provide a safe haven where children have an opportunity to thrive and be cared for while their family can tend to the crisis issues they are facing.
- Prevention is the most effective solution to breaking the destructive cycle of abuse.
- Parents should receive vital support in order to assist them during a crisis situation.
- Families deserve the opportunity to ensure the health and safety of their children.
- The EMQ FamiliesFirst Crisis Nursery is the only facility of its kind in the community. Since its opening in 2001, the Nursery has experienced an increase in demand for short-term emergency care services. Regrettably, current resources force us to turn children away when their parents are in crisis. We need your support to help grow and sustain this vital program!

With your support, The EMQ FamiliesFirst Crisis Nursery has served over 1,400 infants and children in Yolo County from 2001 – 2008. We depend SOLELY upon community support to keep the doors of the Nursery open 24 hours a day, 365 days a year.

**The community cannot afford to lose this critical resource!**

# What is the Capital City Caper?

The Capital City Caper is a unique Limousine Scavenger Hunt benefiting the EMQ FamiliesFirst Crisis Nursery. Limousine teams of eight sleuths compete by solving challenging and fun clues and riddles strategically placed around Sacramento. Teams accumulate points along the way, while raising money for our child abuse prevention program. At the end of the day, enjoy a fabulous array of food and a live auction. Winners receive great prizes – and bragging rights!

The scavenger hunt is teambuilding at its best! Build moral with your staff, entertain your clients, or enjoy an afternoon of fun with family and friends! This exciting event has been a huge success two years running. The overwhelming response from participants was,

“This was the most  
fun we have ever had at  
a fundraiser!”

Numerous super sleuths mentioned it was not only fun, clever, and challenging but very unique and built great camaraderie!

“It was so fun to participate  
in an event that was  
different from the traditional  
black tie gala!”
