

**Gerry Rodriguez, Ph.D.**, is the Associate Director of the EMQ Family Partnership Institute. She is an active member of the National Wraparound Initiative Advisory Group. She has worked in the fields of Mental Health, Social Service and Education for the past 25 years. Dr. Rodriguez provides technical assistance and training across the state of California as a consultant for CDSS. She also provides consultation and technical assistance across the nation to states who are in the process of becoming family focused, strength based, providers.

Dr. Rodriguez has developed parent involvement programs that have been recognized by the state of California as exemplary. She has directed the development of a wraparound program from concept to implementation and understands the process for county systems, lead agencies and families involved in the process. Dr. Rodriguez was the lead writer commissioned by the State of California to write the California State Wraparound curricula. The curricula are disseminated through Training for Wraparound Trainers presented by Dr. Rodriguez and sponsored by CDSS.

Dr. Rodriguez has a Ph.D. in Clinical psychology, is married, and has three adult sons and a grandson.
